Merger News

We are happy to tell you that Southside Partnership and Support For Living have merged and have a new name. The new name is **Certitude Support**.

Certitude

The word certitude means certain and confident and we think the new organisation will be like this.

There is a new leadership team who will manage the organisation.

They are

- Aisling Duffy
- Nicholas Campbell-Watts
- Steve Crelley
- Jan Harris
- Mary Schumm
- Marianne-Selby-Boothroyd
- Sanjay Shah

We are sending you a newsletter with this letter. It has more information about the people who will manage the merged organisation.

Everyone is working together to make sure that your support does not change. You will stay in the same place with the same staff.

People who work in the central offices have been visiting each other to learn more about their new teams.

You can also look at the website to find out more: www.sspsflmerger.org.uk

Thank you for all your support.
